

**Keep roadways and walkways safe and free from ice and snow with the natural solution:**

**United 56**

# **EARTH SMARTIES**

## **Natural Ice Melting Granules**

- **Works on contact.**
- **Effective to 0° F and below.**
- **Less corrosive on treated wood and professionally-prepared concrete than traditional ice melters.**
- **Causes minimal tracking on floors and rugs.**
- **Irregularly-shapes granules stay where you put them.**
- **Will not harm vegetation or soil when used as directed.**
- **Long shelf life. Won't clump when exposed to humidity.**

**Earth Smarties are packed in 50 pound boxes...That means:**

- **EASY PORTABILITY**
- **STACK-ABILITY**
- **RECYCLABLE**

**Ask your sales representative how you can get a free wide-mouth shaker jug for every entrance.**
